INTRODUCTION

Welcome to Pathways. This document is designed to help you get started on your journey and learn some of the basics of public speaking.

Don't worry you will have a mentor to guide you and you don't need master everything before you start speaking.

YOUR MENTOR

The purpose of a mentor is to answer questions you may have about Toastmasters or public speaking and guide and assist you as you work through Level 1 of your chosen Path.

Your mentor is _____

They can be contacted by email at _____

Or by phone on _____

WHAT DO I NEED TO DO?

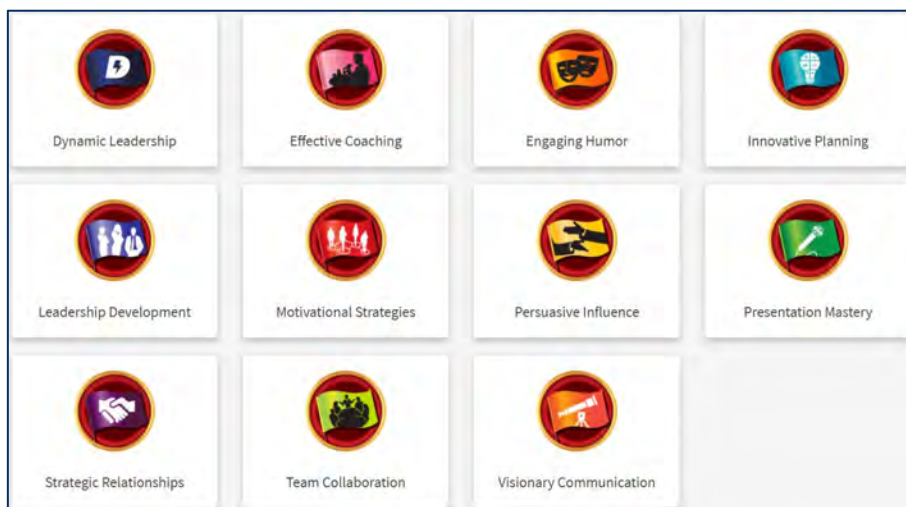

You are encouraged within a fortnight of joining to have done the following.

- Read this manual
- Signed up to Pathways
- Chosen a Path
- Talked to mentor about Ice Breaker Speech
- Scheduled Ice Breaker Speech with VP Education

PATHWAYS

Pathways is a new approach within Toastmasters, and make use of modern technology rather than relying on workbooks. This allows for a more individualised program with outcomes matching your personal and professional goals.

There are 11 different paths you can take in Toastmasters:

To get started, you need to sign up to **Pathways**.

If you do not have access to a computer, please tell your mentor straight away so that other arrangements can be made.

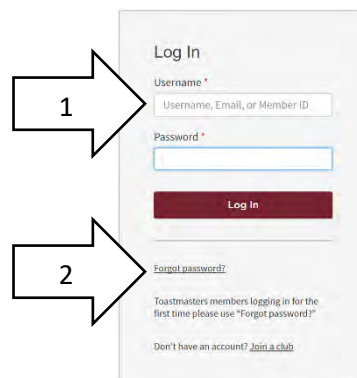

Logging into Toastmasters International Web Site

Open an internet browser and log onto <https://www.toastmasters.org/>

Click on **Login**

Enter the email address you put on the Toastmasters' membership form and then click on **Forgot password?**

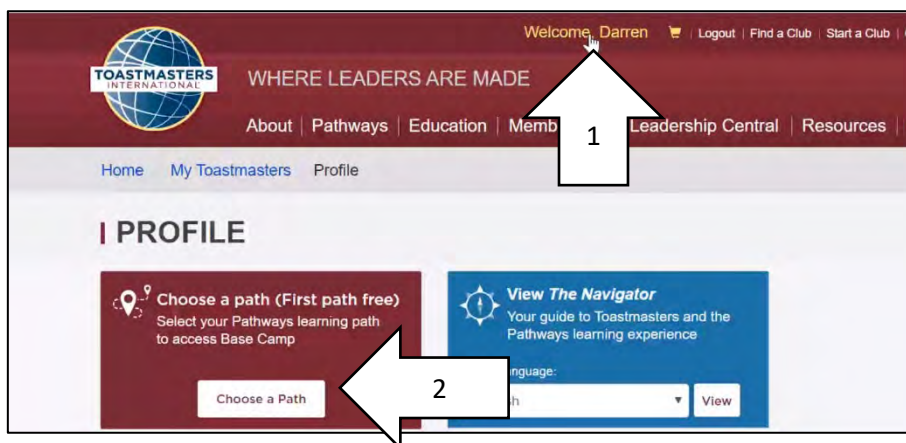

You will be sent an email with a temporary password.

Once you receive this email, go back to this Log in screen and enter your email address and the password you were sent and click on **Log in**.

Getting Started with Pathways

Once you have successfully logged into Toastmasters International website, click on **Welcome <<Your Name>>** at the top of the screen then click on **Choose a Path**

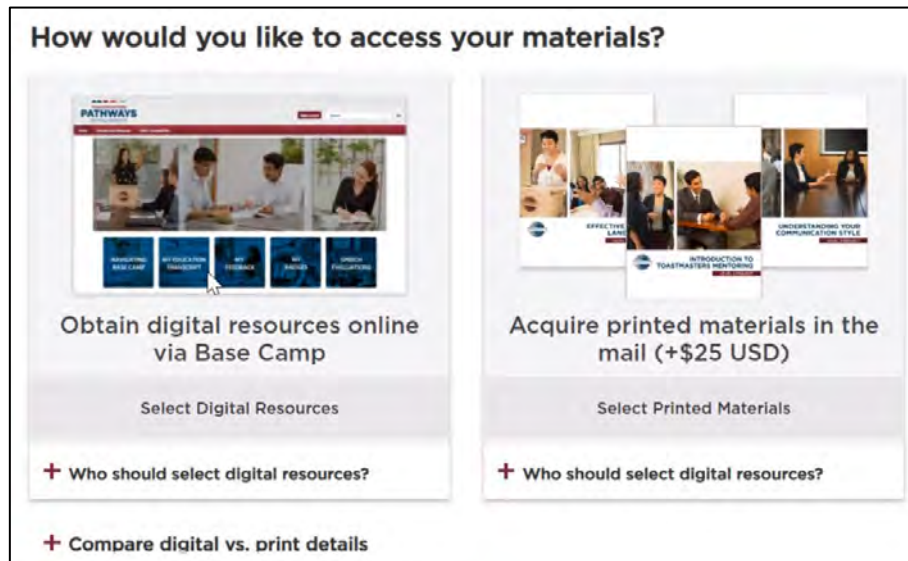

The onboarding process will take you through choosing the language of your Path.

Choose to continue to use the online version of Pathways, or choose the Printed Material option.

The Printed Material option will cost you an additional US\$25 and limits your choice of path as not all paths are available in this format. You may choose this option if you want. However, this manual will discuss the online version.

The cost of your first path was part of your membership fees so there is no additional cost for the online version.

Additional information regarding the online versus printed materials can be found by clicking on the links.

You will then be presented with three options to help you choose your path:

- If you are only interested in public speaking and not leadership, and you only want to present speeches rather than do a range of projects, click on **Select Presentation Mastery**.
- If you would like to read descriptions about all eleven paths click on **View Path Options**.
- If you would like to do an assessment about your goals and interests and have paths recommended to you, click on **Take Assessment**.

Once you have made your choice click on the **Continue** button.

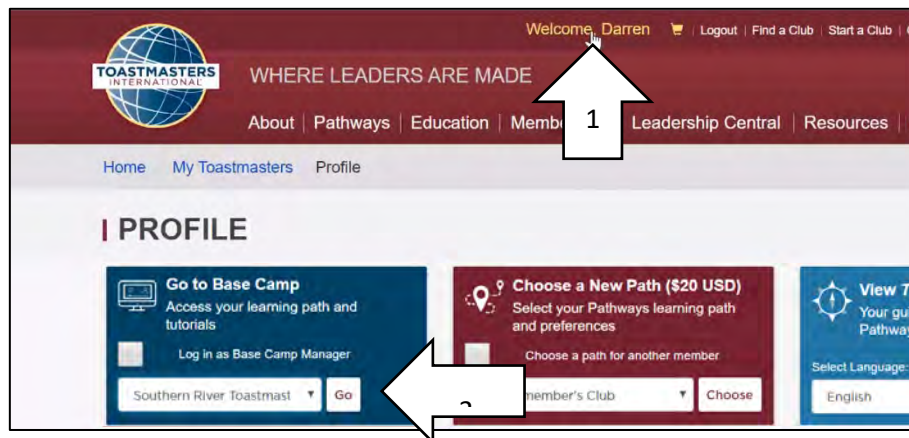

Depending on your choice above, the screens displayed will vary, but in all cases you will be able to work through the screens to select your path.

You will then receive a congratulations message, with a short video showing you how to use Pathways and the option to **Go to Base Camp**. This manual will cover these topics.

You may need to wait half an hour or so to have access to your new path. An email will be sent when it is available.

Getting Started on your First Path (Going to Base Camp)

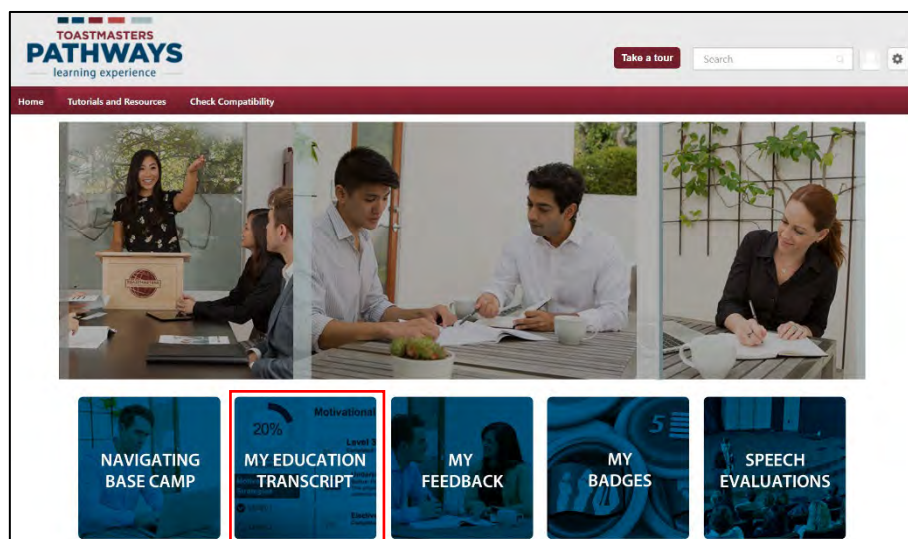

Once you have received the email advising you that your path is ready to be accessed, log back into Toastmasters and click on **Welcome <<your name>>** at the top of the screen, and then click on the **Go** button in the **Go to Base Camp** box.

Note:

If you receive a message saying **Please disable your pop-up blocker**, you will need to do this before you can continue with the instructions in this manual.

In **Base Camp**, click on the **Education Transcript** box.

The **Navigating Base Camp** option contains videos and tutorials for working with Pathways.

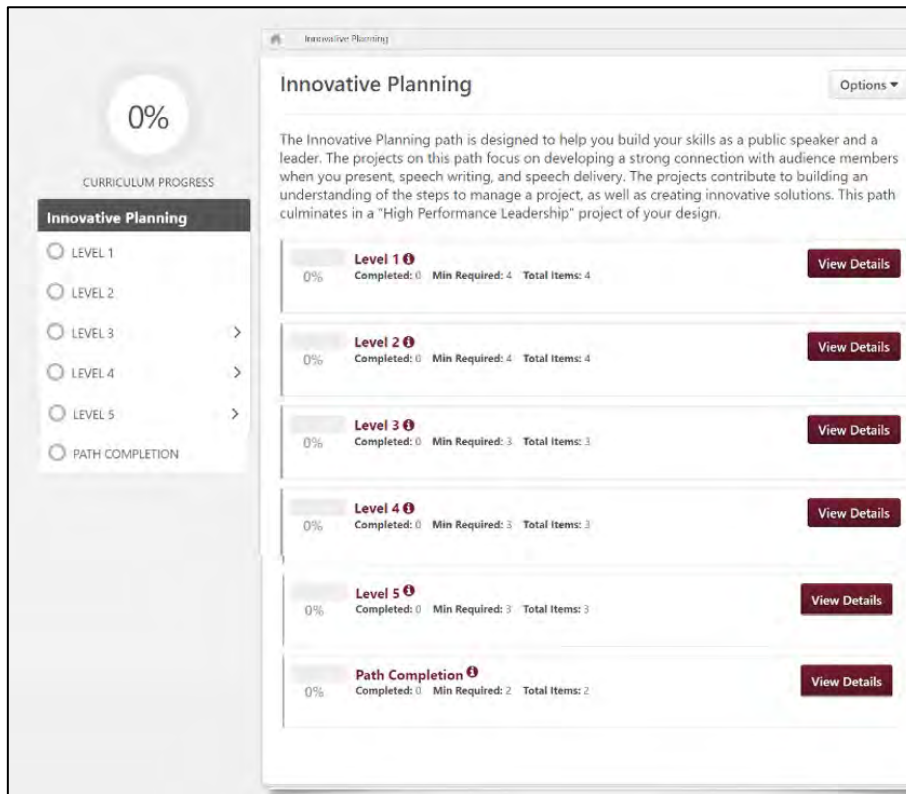

The **Speech Evaluations** option contains access to all evaluation forms. These are accessible also as you work through your path, but it's an easy way to find them if you've forgotten to print one out.

Click on **Open Curriculum** next to your path.

The levels in your path will be displayed. There are five levels and a "Path completion" option.

You can work through the five levels in any order, but it is highly recommended that you do them in the order presented. The projects within each level can also be done in any order. This allows you to work on those projects that interest you or when the timing of the projects suits the opportunities presented to you.

Click on **View Details** next to **Level 1** to get started.

The first project in all Paths is an Ice Breaker, click on the **Activate** (or **Launch**) button to display the training materials for the **Ice Breaker**.

Your First Speech – The Ice-Breaker

The first speech that you do under Pathways is the Ice breaker speech.

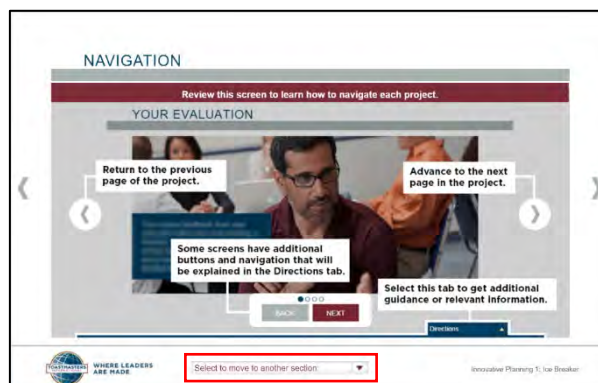

This is a speech aimed at introducing yourself to your Toastmasters club. As you work through the online information you will be given guidance about how to prepare for this speech.

Click on the **Launch** button to get started. The online information will open in a new tab in your browser. When you have finished reviewing the information, close the tab to return to the previous screen.

Helpful Hint:

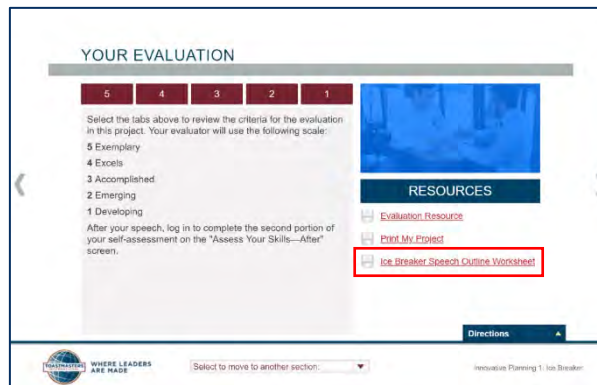

There is a very good worksheet that is provided to help you prepare this speech. It is recommended that before you start this section, you print this worksheet out and use it to jot down notes on. There is also a copy later in this manual. This worksheet can be access by clicking on the **Select to move to another section:** drop down arrow on the screen that pops up after launching the Project.

Then choose **Your Evaluation**

This will allow you to access the **Ice Breaker Speech Outline Worksheet** link.

The document should open up in another screen and for most computers right mouse clicking on the document will allow you to print it. That screen can then be closed and you can return to the start of this project by clicking on the **Select to move to another section** link again, and choosing **Introduction**.

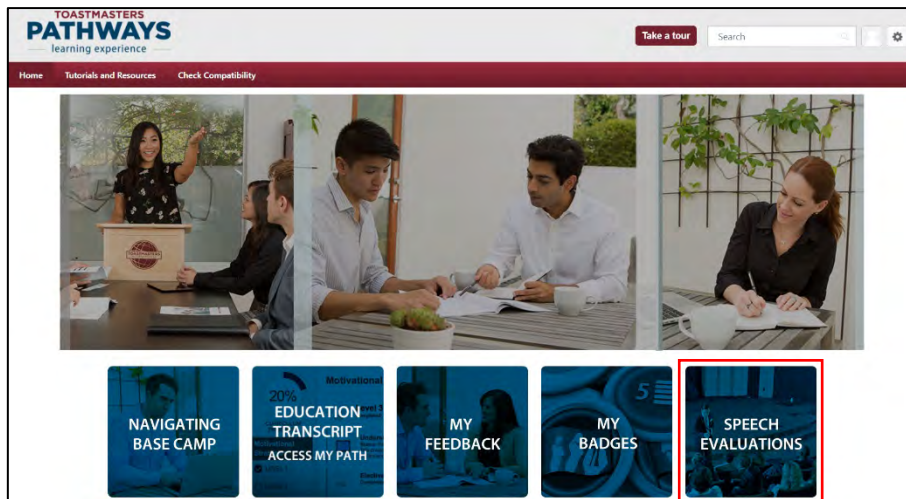

Printing the Evaluation Forms

As you work through the information in the section, the evaluation form will be displayed as a link called **Evaluation Resource** which you can click on and save to your computer for printing later.

It is important that you remember that you are responsible for providing your evaluator with the evaluation form each time you speak.

If you didn't save the Evaluation form when you worked through the project you can access it via the **Speech Evaluations Portal**:

After you have logged in to the Pathways portal as a member choose **Speech Evaluations**

Scroll down to the bottom of the displayed page and you will see a section called **Evaluation Resources**, here are all of the evaluation forms for all projects. Click on the Evaluation Form you are looking for.

Uploading the Evaluation Forms

Log into Toastmasters International website and go to **Base Camp**.

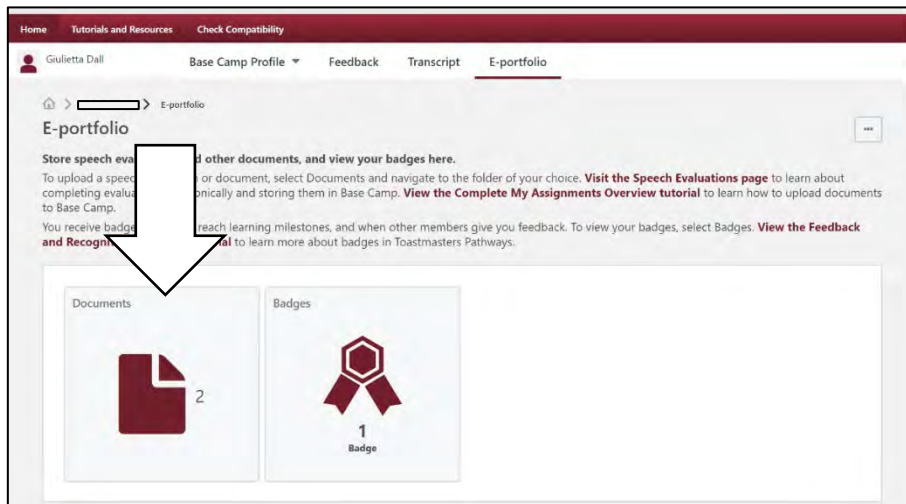

Click on **My Feedback**

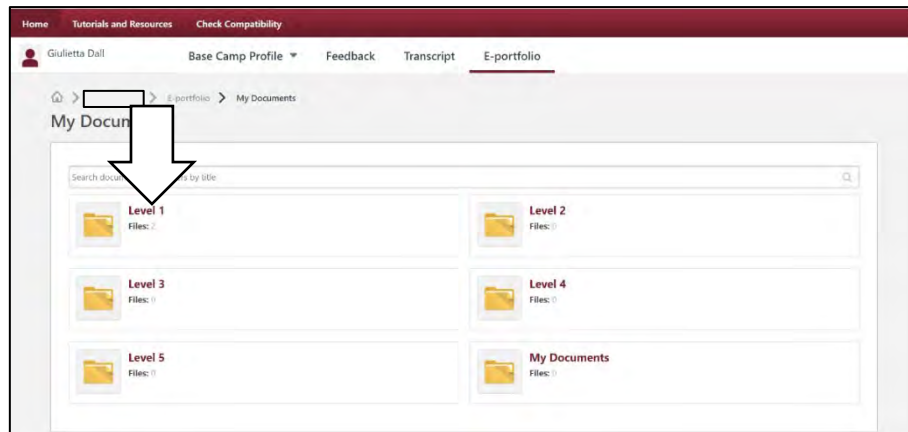

Choose **E-Portfolio**

Click on **Documents**

Click on **Level 1**

Click on **Add File**

Either drag and drop the scanned file / photograph into the box or click on **Select a file** and navigate to where you stored the evaluation form. Then click on **Add**.

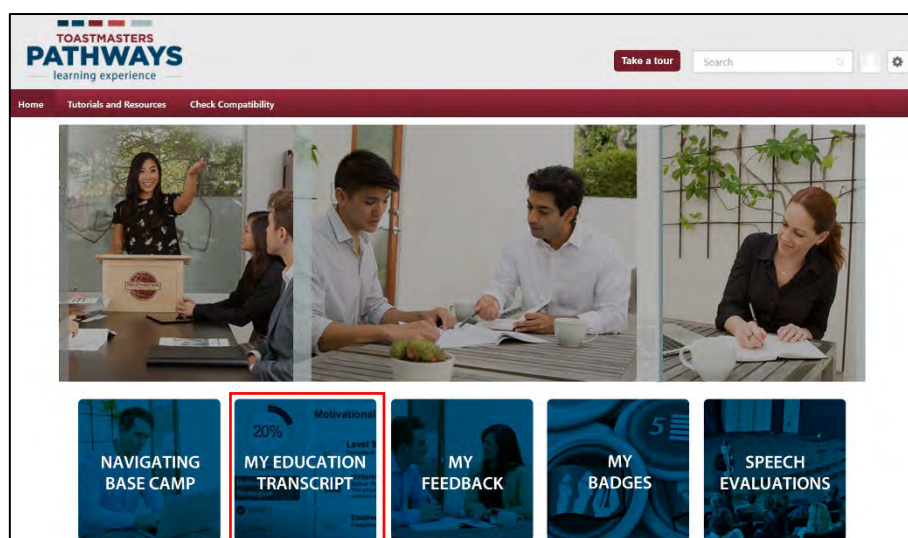

You will need to do this for each page of the evaluation.

The files will be uploaded to your documents folder.

Finishing the Project

After your speech you need to log back into your project and do another self-assessment. To do this log into **Pathways** and go to **Base Camp**.

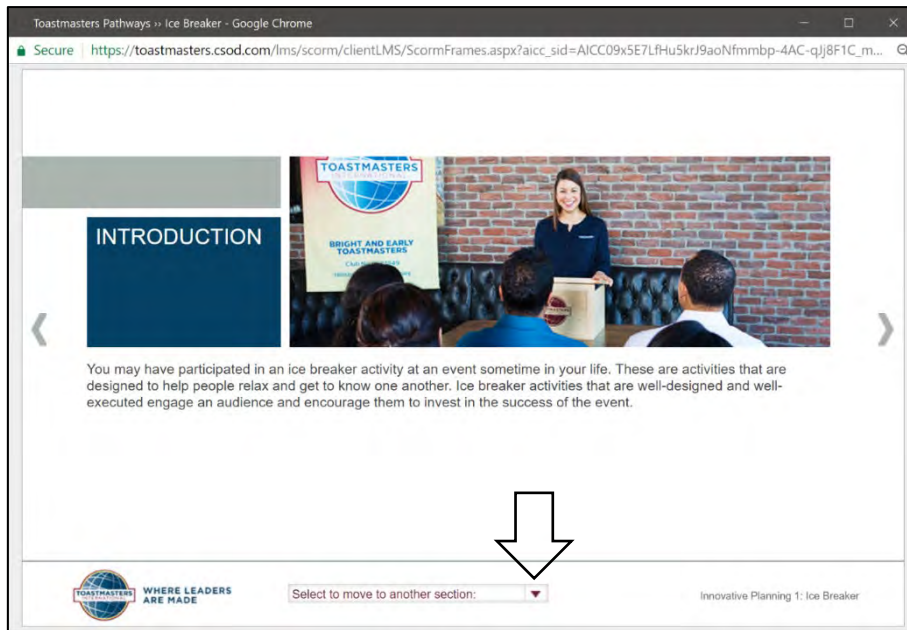

From the Base Camp window, click on **My Education Transcript**.

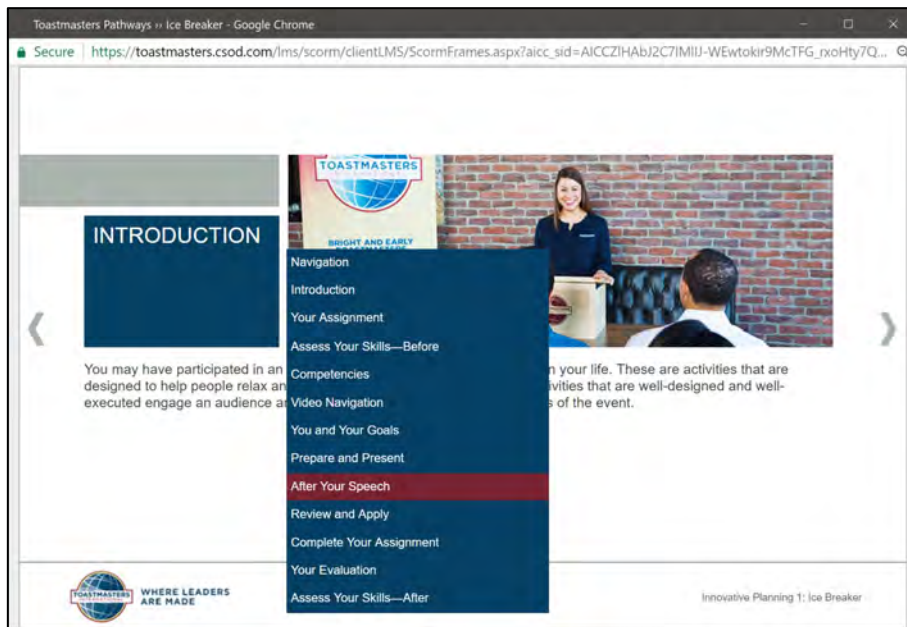

Then click on **Open Curriculum**, the levels in your path will be displayed.

Click on the **Launch** button next to the Ice Breaker Project to open it.

In the popup window click on the drop-down arrow next to **Select to move to another section**

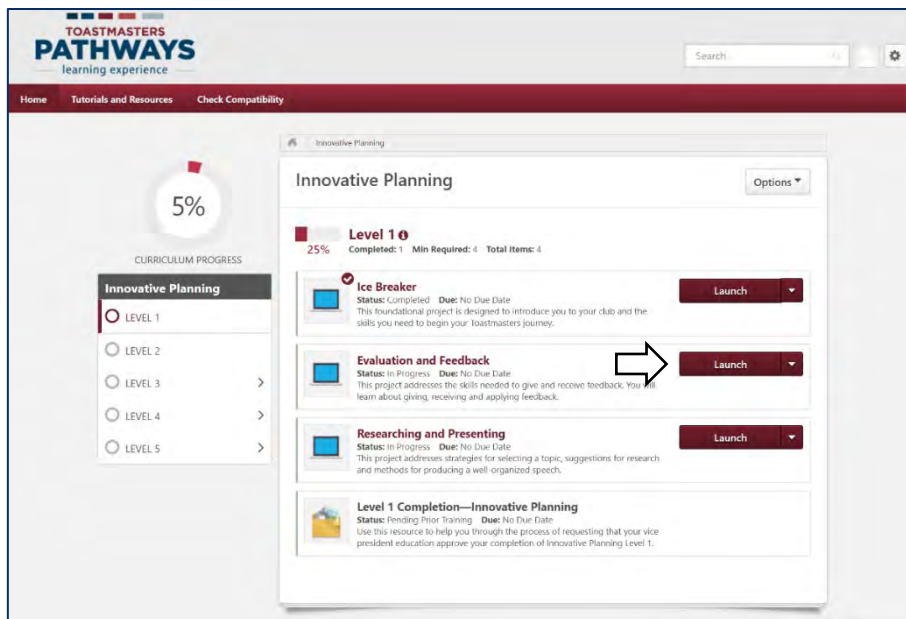

Choose **After your speech** and work through the rest of the project.

Once you have finished, click on the X at the top of the screen to close the tab.

Project 2 – Evaluation and Feedback

In your Path screen, the Ice Breaker project should be ticked (congratulations) and you can move onto the next project. Click on the click on the **Activate** (or **Launch**) button to the right of **Evaluation and Feedback**.

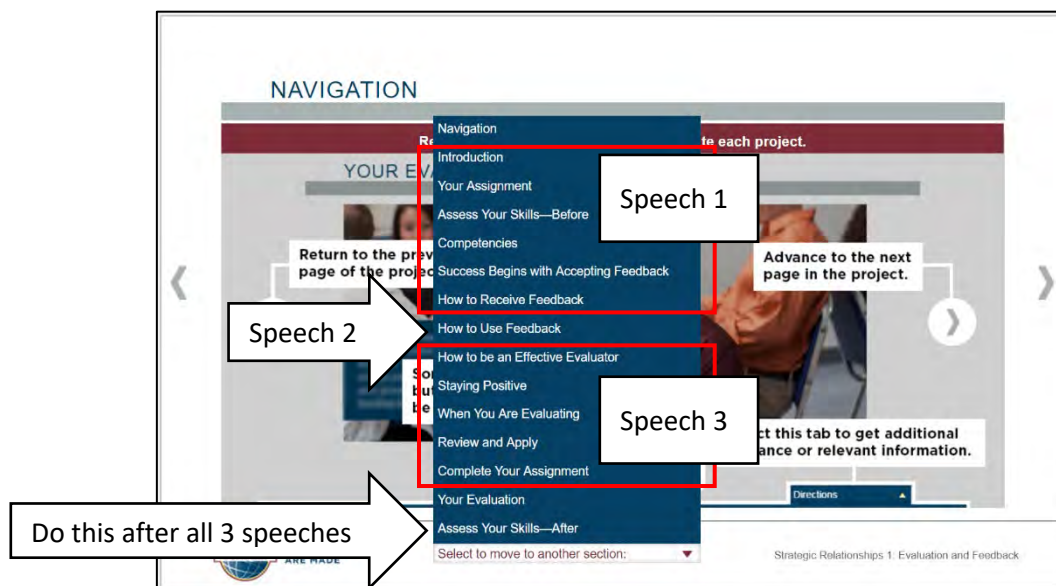

This is an unusual project in Pathways as it consists of three speeches. These are:

1. A speech you do to receive feedback on.
2. A speech where you incorporate the feedback from the previous speech
3. An evaluation of another speaker.

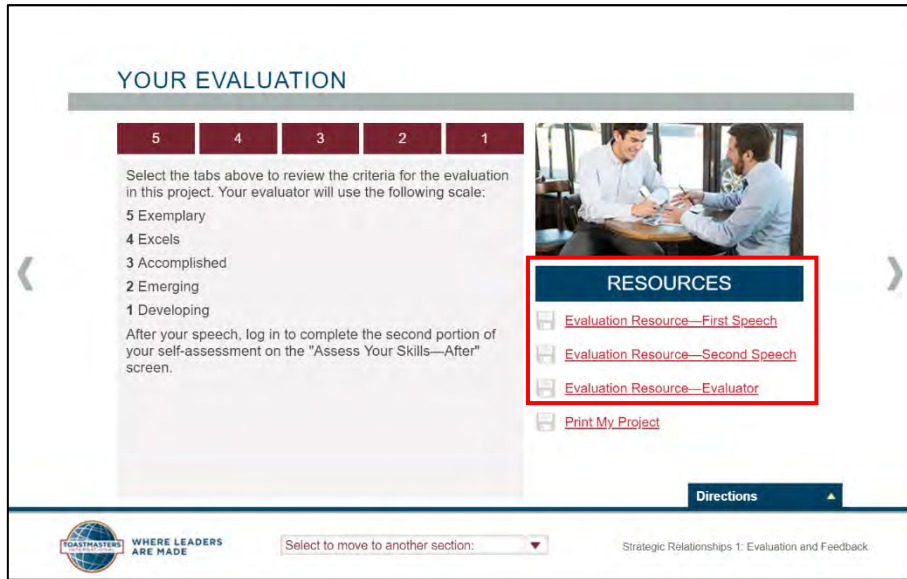

When you look at the sections in the project (by clicking on **Select to move to another section** drop down button), it may not at first be clear that there are these three speeches.

The picture below shows what sections are relevant to each of the speeches.

You can work through all the material prior to your first speech, but it is highly recommended that you go back into the project and review the material as you move through the path.

In the **Your Evaluation** section, you can access the evaluation for each of the speeches.

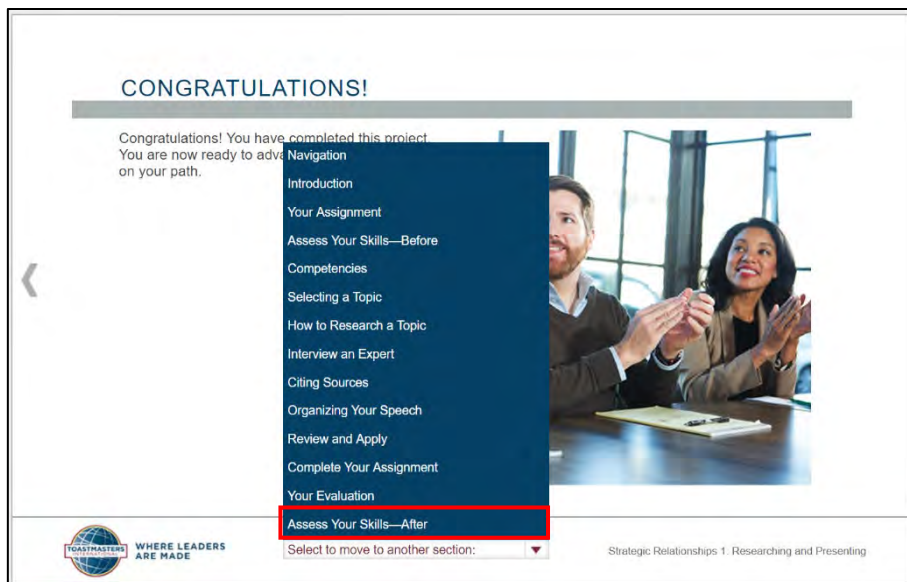

Only complete the **Assess your Skills - After** section when you have done the three speeches as this will mark the project complete

Project 3 – Researching and Presenting

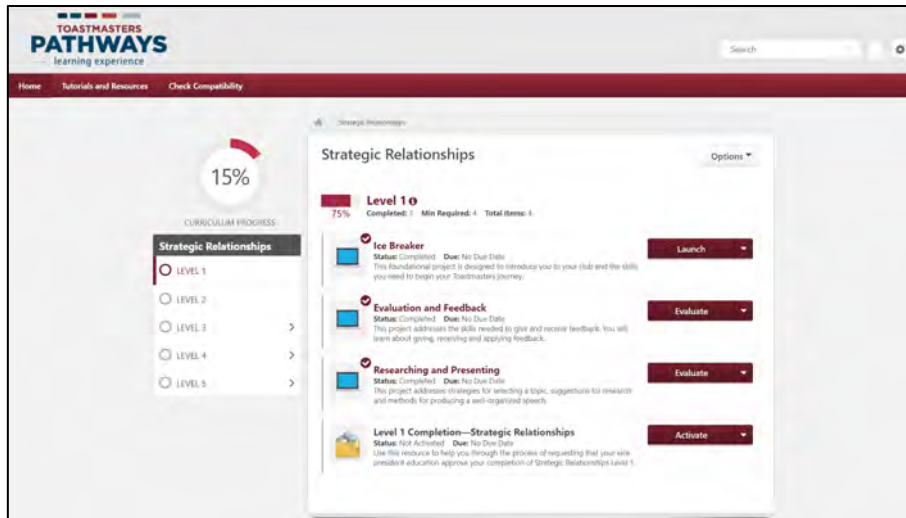

This project is like Project 1 – the Ice-Breaker, it has only one speech at the end of the project. To complete the project, you will need to do the **Assess your Skills - After** section, once you have presented your speech.

Most of the other projects in Pathways work the same way. You work through the educational material, do the speech and then at the end come back into the educational material and do the **Assess your Skills – After** section.

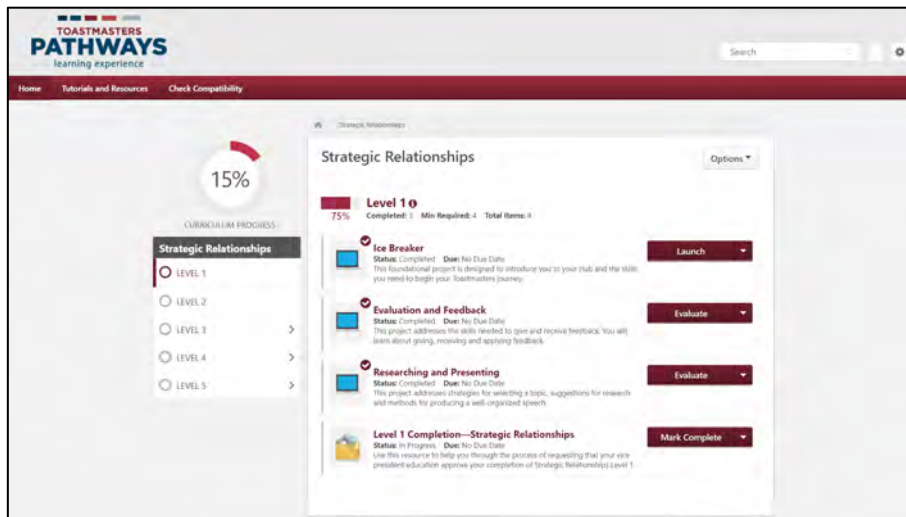

Submitting a Level Completion Request

Once you have finished the **Researching and Presenting** project you need to submit a **Level Completion Request** which, when approved, will enable you to move onto the next Level.

To do this, firstly, ensure that all of the projects have the ticks, then click on the **Activate** button next to the **Level 1 Completion** icon. The button will change to say **Launch**. Click again on this button.

The popup window will open, telling you the next thing to do is to click on the **Mark Complete** button

Once you've clicked on this button. The message will change to advise you that the request is pending.

Once the Level Completion Request has been approved, you will be able to move onto Level 2, by clicking on it on the left.

SPEECH PLANNING WORKSHEET – ICE BREAKER

Use this worksheet to help you plan your Ice Breaker speech.

Note, this is based on the worksheet that is available for download at the end of the Ice Breaker educational information on Pathways. Similar forms are available for all projects in Level 1.

Select the tabs above to review the criteria for the evaluation in this project. Your evaluator will use the following scale:
